"To learn about Canada — that's why I read the *Literary Review of Canada*. It throws open a window on what's being written about the country we live in. There's nothing else like it."

—ELIZABETH HAY

Unrivalled Canadian Books Criticism *and* Coverage

For thirty years, the *Literary Review of Canada* has prided itself on being a journal of ideas—an indispensable platform for politically, intellectually, and culturally engaged discussions. This is where the country's best writers, thinkers, and artists come to take a stand on topics that matter.

At a time when books coverage is shrinking dramatically, the smartly designed *Literary Review of Canada* is the country's unrivalled source of long-form reviews and commentary.

The sophisticated magazine stands tall on newsstands. Only advertisers have access to colour in our elegant pages, ensuring visual impact for your brand. The impact continues through select elevated spaces, where we continue to expand: influential academic units, airport lounges, and other venues that speak to your customer.

We have a highly defined and exclusive readership: educated, urban, affluent, and diverse. Our readers are either starting out in their careers or have retired from impressive ones. Often with no dependents at home, both distinct groups have time for travel, for quality experiences, and for cultural engagement. Above all, they are intellectually curious.

With an 80 percent renewal rate, we deliver quality content that truly engages audiences—issue after issue after issue.

"It's a pleasure and a privilege to write for
the *Literary Review of Canada*."

—MARGARET ATWOOD

The Reader

Subscribers to the *Literary Review of Canada* tend to be upscale or wealthy urbanites. We have two distinct readers: single millennials in the city, and well-established couples in urban and suburban neighbourhoods. Our readers are highly educated and deeply engaged in the arts and politics. They tend to keep copies of the magazine — with your ads — on their coffee tables for months at a time. They're Canadians you want your message to reach!

Demographics

"The *Literary Review of Canada*, a cornerstone of our branding efforts, proved an important vehicle for signalling that we were not just another academic or regional press."

—UNIVERSITY OF REGINA PRESS

The Online Reach

The *Literary Review of Canada* engages its subscribers and newsstand readers more and more every day—especially through its increasingly active social media presence. The life of a book review or essay is only just beginning when printed in the magazine. Readers of the magazine share and debate new content on their channels, and often return to the many prescient pieces that fill our thirty-year archive.
