## About the Magazine

**F**or nearly thirty-five years, the *Literary Review of Canada* has prided itself on being a magazine about books—an indispensable platform for politically, intellectually, and culturally engaged discussions. This is where the country's best writers, thinkers, and artists come to take a stand on topics that matter.

At a time when regular books coverage has all but disappeared, the smartly designed and award-winning *Literary Review of Canada* is the country's *unrivaled source* of long-form reviews and commentary.

The sophisticated magazine stands tall on newsstands. Only advertisers have access to colour in our elegant pages, ensuring *visual impact for your brand*.

Advertising with the *Literary Review of Canada* connects you with Canada's exclusive literary and arts community—authors, editors, publishers, illustrators, and, most importantly, our readers.

Our subscribers are thoughtful, highly educated, discerning, established, and urban, with a high net-average income and substantial investments. They have time for travel, for quality experiences, and for cultural engagement. *Above all, they are intellectually curious*. That's why they spend several hours reading each copy of the magazine, and why they tend to keep back issues on hand for months at a time. This community includes political, academic, arts, and economic leaders who look to the *Literary Review of Canada* for what to read and why.

With an *80 percent renewal rate*, we deliver quality content that truly engages audiences—issue after issue after issue.

## Print Submission Guidelines

### Technical Specifications for Print

- Though it happens infrequently, up to .125" inside the trim line could be lost during the binding process; we recommend an **additional safe zone** on all bleeding edges, with designs keeping all **critical text and imagery** at least .125" away from edges
- All files should be **300 DPI, PDF, and CMYK** (including all linked images)
- For full-bleed ads (full pages, 2/3, 1/2, and most 1/3): include **.125" bleed**
- 1/6 and 1/3 square ads may be exported **without crop marks or bleed**
- Please *do not include* rules/hairlines surrounding artwork
- File naming convention: orgname\_issue\_size.pdf

### Export Instruction for Print

1. In document setup, set bleeds to .125" on all sides, ensuring artwork extends to the bleed line (does not apply to 1/6 and 1/3 square ads)
2. All artwork (including placed images) should be high-resolution and CMYK
3. File > Export > PDF (Print) > High Quality PDF
4. View Compressions & Bleeds menu:
  - Use Document Bleed Settings
5. Export
